

That Puppet Advent App

That Puppet Advent App is being designed to provide for you and the family with a Christian advent calendar with daily video clips explaining the truth behind Christmas, the nativity and other aspects of Christian message, through song, drama, craft, cracker jokes, puzzles and illusions!

The puppets (performing as teachers) form a serial story around- Little Puddle Primary School's mis-adventure through advent and their coping with it - finding out themselves all sorts of new things along the way.

All this delivers a friendly and entertaining way for your family to enjoy the countdown to Christmas this coming year. So remember to download the app and join in the fun.

PROGRESS SINCE LAST CHRISTMAS!!!

Since last advent, when we launched our crowd funding Kickstarter campaign (in an attempt to raise some funds for the project and to demonstrate what we can do as well as use this as a platform for building interest in the project ready for the full launch this year!) We have been working hard to ensure we have the script, set and vocals and a plan in place to ensure we launch this year.

This year's program is packed full to ensure we create the clips, build the app and get the app tested and approval ready for the December launch. We are pleased to say we now have the full draft script for the daily advent puppet clips written. We have a few vocal artists on board for the puppet voices and have started building the set. Alongside this we have people on board working through the technicalities of the app creating and presentation as well as a graphic designer working on the artwork.

We are also working with a chap out in the Philippines who will be supporting us over the coming months with communications and advertising to ensure our message reaches as many as possible this advent.

So as you will appreciate we are working hard to keep this as well as our other children's work on track. Your support by way of prayer is always appreciated, as we can only do this in His strength. If you want to find out more about the project, please check out our website www.thatadventpuppetapp.org.uk, where you can find links to our videos, see our puppet staff and donate to this project.

We thank God for watching over all involved in the project and are happy to say we already seen many answered prayers as God has provided willing people who have aided us in set construction, voice-overs and puppeteering so far. We trust that He will continue to provide all the needs for this project and goes before us to prepare the way to and to touch many life's through this work!

Introducing Mrs. Dorothy Furkins

Mrs Furkins is a busy secretary who worked in a bank before she had children (who are all now all grown). She's always bright and breezy – and ready to help out. She loves surfing the internet and will undertake online research for any of the staff who asks – a little too keen at times. She has the ability to handle any troubled phone calls from parents worried about their children. She can be an 'agony aunt to the staff too. She has a first aid certificate and is ready to use it. She has her suspicions over the caretaker, but can't prove anything yet. Always about the place, but mainly around reception. She has served as secretary at St Peters in the Water now for 10 years.

Jomel Caspe

My name is Jomel Caspe. I am from the Philippines. I am a National Staff of the Chi Alpha Philippines, a Campus Ministry of the Assemblies of God. As a student/campus missionary, financial support is very important to me as it is one way for me to meet the financial needs of the ministry, and God was gracious enough for bringing Daniel Cole and Alistair Mitchell as they are supporting me financially in return of the support I am giving. I am working 15 hours every week on the "That Advent Puppet Calendar" project. I thank God for using Daniel and Alistair who gave me this opportunity to work for them in which I have learn many things I haven't done before and at the same I was able to support my family and the work that God has entrusted.

NEEDS:

We are in need for 3/4 size set furniture for the puppet sets. If you are in the south east or local to Sevenoaks and have any of the following we could have then please let us know:-

- Old small Lockers
- Notice boards
- Trophy cabinet

We are also looking for more willing puppeteers that would be available between the 14th to 30th May who would be able to travel to the place of filming in the Sevenoaks, Kent area.
